## 24/25 Registration Cheat Sheet

### *Step 1: Choosing Your Classes*

Thrive Dance SK is proud to offer a wide range of classes for the 24/25 dancing season, including the expansion of our Enhancement Classes to better meet the needs of our dancers!

Visit our website at [www.thrivedancesk.com](http://www.thrivedancesk.com) to view all of our class offerings to get a good idea of what your dancer would like to accomplish next season!

### *Step 2: Pricing*

Pricing for the 2024/2025 dancing season now includes an inclusive strategy to better meet the needs of our dance families. The goal is to spread out the costs of some of those larger items associated with dancing throughout the season rather than paying a large lump sum all at once! Make sure to review our 2024/2025 pricing chart to get a better picture of your costs for the year.

A few things to note:

- Pom Classes: Additional \$5/month on top of monthly installments for Pom Rental Fee & SCA cheer music fees. Additional SCA Cheer Membership required by dance families (approx. \$50/year)
- Combo Classes: Additional \$15/month on top of monthly installments for additional costume & class time
- Additional class requirements: A few of our classes require some requisite classes (Acro, Contemporary, Pom & Pointe). All tech classes require requisites of related classes (ex. Dancers registering in Acro Tech must also be registered in Acro class)

### *Step 3: Registering*

- Classes: When registering, you are registering for your **class style** and not a predetermined class date/time. Class placements are based on a blend of experience, age and overall technicality. We place our dancers in classes to ensure they are being challenged but not overwhelmed. These placements happen after the pre-registration deadline closes.
- Schedule: Ignore all dates listed on the current schedule during registration. After pre-registration closes June 17th, 2024, our 2024/2025 dancing season schedule will be created and dancers will be placed in the appropriate classes.
